

Library Programming for K - 12 school libraries

Presenters

Marie Grech & Sue Oliver

This PD will suit those new to school libraries and those with experience to share. In the first part of the afternoon, Marie Grech will provide an overview of Middle and Senior Library Programmes at Scotch College, after which Sue Oliver will provide an insight into her school's Primary Library's Scope and Sequence at St Stephens College.

The second part of the afternoon will involve attendees sharing what they do with library staff from other schools. Please bring any programmes that you would like to share others.
